

**Join us on Thursday, March 31  
9 a.m.  
NH State House  
107 North Main Street, Concord, NH**

The New Hampshire House will be voting on HB 1 and HB 2 on Thursday March 31. We will meet beginning at 8 am at the America Votes Office at 4 Park Street (3rd floor) in Concord and will proceed to Representative Hall for the House Session which begins at 9 a.m.

HB 2 contains an amendment that essentially eliminates Collective Bargaining rights for public sector employees. This outrageous move by extremists in the NH House is designed to strip workers of their rights, destroy the balance against increasing corporate powers and further erode the middle class.

**PLEASE ....**

**IF YOU BELIEVE IN COLLECTIVE BARGAINING...**

**Join us to let our legislators know that they have gone too far. Public sector employees provide services we depend on , pay taxes, contribute to the NH economy and DO NOT DESERVE to be stripped of their rights.**

At noon we are invited to join a Rally to protest the proposed budget cuts that will threaten the safety net of New Hampshire's most vulnerable citizens.

...Hosted by NH Cares.
